ADULT LEARNING

SUMMER SCHOOLS AT INKWELL

Making Books from Scratch

This three day course will teach you how to make your own books using a number of different techniques and materials. You will also learn about the history and contemporary uses of handmade books and bookbinding. We will be exploring ways to incorporate your own ideas and materials, such as putting photographs into your books.

Figure and Landscape - Drawing and Painting

This three day course will look at drawing and painting the figure in the landscape. You will visit Kirkstall Abbey, take photos on cameras and iPads, and draw/paint the abbey using sketch books, pencils and watercolour paints. We will also experiment, learn life drawing techniques and look at artists Turner and Cotman, as well as exploring contemporary painting/drawing. Learners will complete a series of drawings and paintings and engage in formal discussions. We can provide a small number of cameras/iPads to use and share.

All materials for these courses are provided free of charge and you are also welcome to bring your own. Suitable for complete beginners and those with some previous experience.
