

**Community Highlights** has been awarded funding towards workshops in the community.

Workshops will be facilitated by local artist **Marcia Browne** and poet **Michelle Scally**

Poems from the workshop will be published in the magazine (and entered into a competition). come along and write about your covid experience, and getting through difficult times. **Marcia Browne** will run an art work project and a commissioned piece of visual artwork will be produced for the front cover of the Community Highlights anniversary issue.

We will also be interviewing people about wind rush and accepting stories.
